JAYAN ODEDRA

Full Stack Web Developer

India · odedrajayan@gmail.com · +91-9998869392 · linkedin.com/in/jayan-odedra · github.com/JayanOdedra

Professional Summary

Motivated Computer Engineering student seeking a **Full Stack Web Development** opportunity to apply skills in frontend and backend development, database management, and web technologies. Eager to build scalable, user-focused applications while continuously improving technical and problem-solving skills.

Skills

Web technologies:	HTML, CSS, JS
Databases:	MongoDB, SQlite
Operating System:	Kali Linux(Basic)
Framework:	Django
Tools:	Git, Github, V.S. Code
Programming:	Python(Basic)
Languages:	English, Hindi, Gujarati

Experience

CISCO NETWORKING INTERN 01 july 26 – 15 july 26

Cyber Security Essential

- Assisted in vulnerability assessment, security analysis, and threat identification using **Nmap** and **Kali Linux.**
- Analyzed **phishing URLs** and **suspicious security** indicators to identify potential threats.
- Gained practical exposure to **network security, threat detection,** and **incident analysis.**
- Applied cybersecurity best practices during security **analysis** and **testing.**

Projects

Student Management System Python, Django, SQLite, HTML, CSS, Bootstrap

- Developed a web-based Student Management System using Django.
- Implemented CRUD operations for student records.
- Integrated SQLite database for data storage and retrieval.
- Designed a simple and user-friendly interface using HTML, CSS, and Bootstrap.

Phishing URL System Python, Flask, HTML, CSS, JavaScript

- Developed a Flask-based backend to process URL inputs and generate automated classification results.
- Extracted and analyzed URL-based security features to distinguish legitimate URLs from potentially malicious ones.
- Created a responsive web interface for users to submit URLs and view detection outcomes.

Education

Bachelor Of Engineering (Computer Engineering)
Government Engineering College Palanpur,
2023-2027 | CGPA: 6.57

Higher Secondary Certificate (HSC)
Rajshakha Higher Secondary School, Gujarat Board
2023 | 70.72%

Secondary School Certificate (SSC)
Rajshakha Higher Secondary School, Gujarat Board
2021 | 76.33%
